Instructions

- Take your 1" x 4" white, your Happy Birthday stamp & your black ink pad. Stamp the Happy & the Birthday. Adhere that to the black 1 1/8" x 4 1/8". Set it aside.
- Crease your black base in 1/2. Insert 1 of the 5 1/4" x 4" white to the inside of the card. Set the card aside with the saying. Take the other 5 1/4" x 4" white and set it aside with the card for now.
- Take your white 5" x 3 3/4", black ink and the butterfly background and stamp.
- Adhere the butterfly white to the white 5 1/4" x 4" that we set aside. Then take the ribbon and wrap it around the bottom portion of the card roughly 1/4" way up from the bottom.
- Adhere the above piece with the ribbon to the top of the card centered.
- Use Dimensionals to adhere the happy birthday backed on black to the top of the card towards the bottom roughly above the ribbon.
- Use the framlits to cut out 2 butterflies. Glue one butterfly to the inside of the card, wherever you'd like. The other butterfly to the outside of the card wherever you'd like.
- Use sequins to add a few extra shiny goodies to the card.
